

HOST A BIRTHDAY PARTY

Children love their birthdays and love to help others who are not so fortunate. Keep the family gifts for your child a tradition, but throw a great birthday party for him or her and ask the guests to bring a small donation to RISE in lieu of presents. If you invite ten kids and they each bring twenty dollars, that is enough to send a child to school.

What a gift it is for your child to help those in need!

Stuck for Ideas?

Go to

www.birthdaypartyideas.com

for fantastic DIY birthday parties. Some suggestions:

Secret Agent Party

Dr. Seuss Pajama Party

Trip Around The World Party

Mad Scientist Party

Fairy Party

Space Party

Pink Pirate Party

Scavenger Hunt Party

Include a small sheet with the invitation that explains the RISE mission. If you'd like, set a goal that you and your child think that you can reach. For example: "Ben is working toward raising \$100 to help send a child to school in Angola." Include the address to the RISE International website (www.riseinternational.org) for reference.
