

# HOST A WINE TASTING

Call Schaefer's or The Wine Discount Center to arrange a wine tasting party in your home with your friends. You supply the appetizers and the ambiance for the evening, and they supply a unique night for you and your guests.

Request that in lieu of hostess gifts, your guests make a donation to RISE.

Plan to serve four white wines and four reds, starting from light to dark. Supply each guest at the start of the night with a Bordeaux glass to use, and have buckets available to hold discarded wine. Scatter small pads of paper and pens around for guests to record tasting notes.
